

Play, Explore, and Count for Early Math Learning

UPK/UTK Workshop Series

Thursday, April 24, 2025 | 4:00 - 7:00pm
Ventura County Office of Education Conference Center

Presented by Vicki Vierra, Math Specialist

In this workshop, participants will:

- Experience ways to help students learn and enjoy math concepts using simple materials and conversations
- Explore opportunities to play and reason
- Consider developmental stages as young learners begin to understand numbers, quantities, shapes, and patterns
